

FLOWER OF LIFE

INTERNATIONAL STUDENT COMPETITION GARDEN DESIGN

Exhibition Garden EXPO 2016 Antalya

We invite bachelor, master and doctoral students to design an exhibition garden of 600 m² that will be part of the EXPO 2016 in Antalya from 23th of April to the 30th of October 2016.

The competition aims to create innovative and attractive garden designs that make use of new flower design concepts; that are especially attractive, instructive and functional for children; contribute to a higher biodiversity; may contribute to the development of greener cities; and present innovative, sustainable concepts of hard landscaping and planting design.

1st prize: construction of your garden & Euro 2,000

2nd prize: Euro 1,000

3rd prize: Euro 500

Costs for travel and stay for award ceremony
